

# Apply International Driving Permit

## Driving Abroad with International Driving Permit

### A. Introduction :::

IDP is issued in accordance with the 1949 Convention. The permit should be valid for driving in the territory of all the contracting countries/places [please see the application form TD51]. But there may be differences or changes in the policy or conditions of using an IDP to drive the contracting countries/places concerned, applicants are suggested to make enquires to the Consulates or resident offices of the countries/places concerned for details before making application for an IDP or before driving in the countries/places concerned.

International Driving Permit is valid for one year from the date of issue.

### B. Eligibility :::

If you are Hong Kong resident holding a Hong Kong full driving licence and wish to drive abroad, you may apply for issue of an International Driving Permit (IDP).
